

Continuing the Legacy

Because of your giving in 2017, \$125,000 was added to the Anna M. Hayford Scholarship fund, bringing the total to over \$250,000. Your investment made it possible to provide four students at The King's University with this scholarship.

Will you partner with us in raising an additional \$250,000 so that we can carry on the legacy of Anna Hayford and impact more students like Lauren?

How will we reach our goal?
